Captain Gary Wheatley, USN
Commanding Officer
USS John F. Kennedy (CV-67)
FPO New York 09501

Captain:

A note to express my appreciation for the excellent hospitality which you and the crew of the Kennedy afforded me during my recent visit on board. One has to be thoroughly impressed with the dedication and professionalism of the Kennedy crew and I must say I was frankly amazed at the speed and precision of carrier operations.

Thanks also for the bed and board which were second to none.

I wish you all the best.

Sincerely,

John N. McMahon
